

CAMBODIA COURSE DATES

Workshops are highly interactive working sessions designed to ensure maximum learning effectiveness. All workshops are conducted by a leading industry expert with extensive experience of the financial services sector. All delegates are strongly advised to attend all workshops prior to sitting the examination to gain maximum benefit of the program.

Advertised workshop dates are allocated subject to availability and may be subject to change. Workshop groups are limited to 25 students (18 for CDD courses) to maximise the study experience. Every effort will be made to meet your personal preferences for dates where there is more than one option. Once you have enrolled onto the course, please refer to your booking confirmation email for your training schedule and contact us immediately if any of your confirmed dates are not suitable.

Course materials can be accessed via your online learning platform from the course commencement date highlighted below. We would recommend enrolling at least two weeks before the first workshop to give you sufficient time to familiarise yourself with the course materials and undertake any workshop preparation.
